Permission and Release Form

I give permission for this youth to attend all education and youth functions of Our Saviour's Lutheran Church beginning September 1, 2009 through August 31, 2010, and to receive emergency medical treatment including surgery as needed. I understand the staff will try to contact me as soon as possible in the event of an emergency.

It is expected that youth will be respectful and courteous to all adult leaders and his or her peers. I also understand that if there is a conflict between my child and the staff that cannot be satisfactorily resolved, I will be required to have my child transported home at my expense. This could include but is not limited to my child's possession or intentional misuse of any controlled substances (including tobacco and alcohol, prescription, and non-prescription medication.)

I have read the above requirements and agree to follow them and to provide OSEL with any changes in any information listed above as soon as it is available.
